## CLASSROOM HAPPENINGS

During the month of January, Miss Kim will introduce the class to some new letter friends: Dazzling Dance, Pointy Patches, Super Socks and Beautiful Buttons. They will observe Martin Luther King's birthday and they will observe National Soup Month. They will also talk about the animals that hibernate and the ones that stay up all winter. Lastly, they hope to get outside and do some winter activities. Their color of the month will be blue.

Miss Lynn and Miss Gina will work on the letters Ee, Ff and Gg with their class. They will do some winter art activities and they will be celebrating our differences in conjunction with Martin Luther King Day. They will be talking about what animals hibernate. They will also start recognizing children as the "Star of the Week". Their

color of the month will be white and their shape of the month will be the rectangle.

Miss Maria and Miss Debbie will do some ice investigations. They will also do mitten activities along with some snowman art. They hope to be able to go outside to play in the snow. One day they will make some yummy hot chocolate to drink along with making ice cream. Their color of the month will be white.

## TAX STATEMENTS

In January, tax statements will be prepared for every family. Typically they will be printed and ready for distribution by January 15th. It is our pol-

icy to release these statements to those families who are current on their accounts, so if you have a balance owed, please make

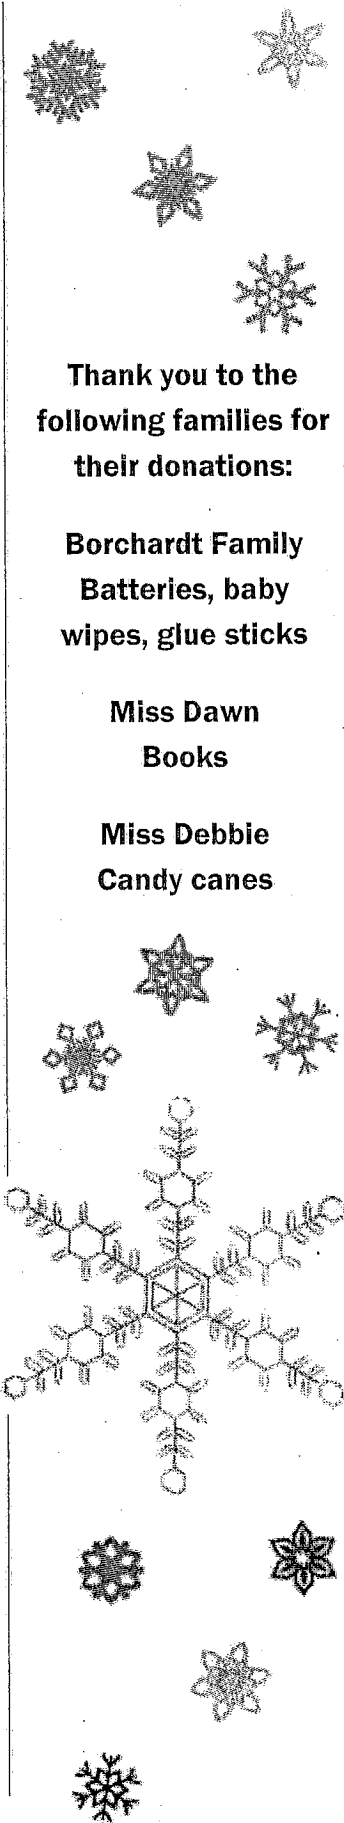

arrangements to pay your account in full. You can pick up your tax statement in the office. **They will not be left in your child's cubbie.** Thanks!

## SCHOOL PICTURES

Put Thursday, February 8th on your calendar; it's **School Picture Day**. We will be using the same photographer that we used last year. They are a

family owned business called **Star Photo**. You will be able to select the background you would like the photographer to use and they do a variety of poses with and

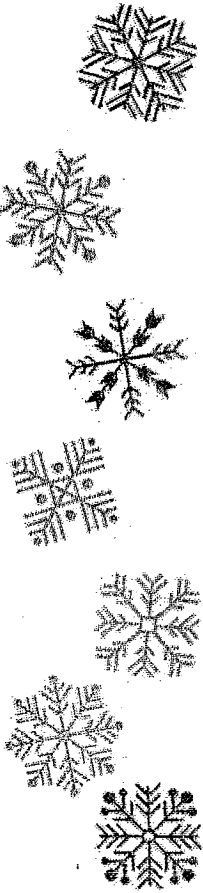

without props. **Every child who has their picture taken will receive a class photo FREE. NO PURCHASE IS REQUIRED.** Sibling photos too!
